

## Animal Surrender Form

Typically, we are unable to take in owner surrenders, however, we wanted to create a form in the rare case that we are able to help. Please note that you will only hear back from us if we have additional questions or feel that we can help.

Please complete and email this form to [info@phillybullyteam.org](mailto:info@phillybullyteam.org)

We may require a \$100 surrender fee for pets that are not fixed or vaccinated.

You can also fill out an owner surrender request with Citizens for a No-Kill Philadelphia. They send out their owner request forms to various local rescues.
